

Bird Sightings in Western Massachusetts

All of us are interested in knowing what birds are in our area each day. We do this by:

- birding
- talking with other birders
- calling the Voice of Audubon or reading "The Voice" in the newspaper
- checking the Web
- joining the Rare Bird Alert (for those interested in unusual species)

To check The Voice of Audubon:

Call toll free **1-781 259 8805**

Follow the directions (press 2 to listen to Seth Kellogg, the Western Mass voice). Seth updates The Voice once a week - more often when necessary - so check regularly. (Thanks to Trudy Tynan, the transcript also appears weekly in most of our local papers.)

To share local sightings with other valley birders via email:

You may wish to join the Allen Bird Club "*Bird News of Western Massachusetts*" network. To join, email Seth Kellogg at skhawk@comcast.net

To check various sources on the web:

Go to the HBC website: www.hampshirebirdclub.org. From the **Related Links** section on the Home Page, you can go to **the Voice** and/or to **Massbird**
